If an assignor misses the mandatory 2 year clinic, a make-up in-service training clinic may be offered depending on need. A clinic fee may be charged to all attendees of the make-up clinic. All assignors are considered Independent Contractors and should not assume that they will be used as an assignor within a calendar year.

5.2 OBJECTIVE

The appointment should be made for a period of at least one year and be based on experience as a referee and/or as an assignor, organization skills, and character. No referee should be assigned to any one league or club exclusively. When the assignor is an active referee, the assignor should be designated within a given experience/rating group and be part of the same rotation system of assignment.
6. Referee Assignors are encouraged to listen to complaints about officials. When the complaint concerns an official who has demonstrated bias, unfair officiating or incompetence, the assignor should direct that the complaint be filed in writing to the Area, or State Referee Administrator. All such reports should be investigated.

10.12 HEARING AND PROCEDURES

Alabama Soccer Referee Manual

10.12.1 BACKGROUND

Two sets of rules create a requirement that USSF Organization Members provide certain minimum procedural rights to its athletes, coaches, and administrators. First, the Ted Stevens Olympic and Amateur Sports Act (“the ASA”), a federal law, states that a national governing body (such as USSF) is only eligible for recognition if it “provides an equal opportunity to amateur athletes, coaches, trainers, managers, administrators, and officials to participate . . . with fair notice and opportunity for a hearing . . . before declaring the individual ineligible to participate.” Second, USSF has incorporated this requirement into its Bylaws in several ways:

1. Bylaw 212 requires every USSF Organization Member to “comply with the [ASA], to the extent applicable;”
2. Bylaw 213 requires State Associations to “provide equitable and prompt hearing and appeal procedures to guarantee the rights of individuals to participate and compete.” (emphasis added). The Bylaw also requires that State Associations provide the right to appeal decisions to the USSF Appeals Committee.
3. Bylaw 241 states that suspensions and other disciplinary actions taken by Organization Members shall be recognized by the Federation and all other Organization Members upon “determination by the Federation that the party subject to the action received hearing and procedural rights substantially similar to those set forth in the bylaws.” (emphasis added).
4. Bylaw 701 requires that parties to all hearings conducted under USSF Bylaws be afforded a list of eleven specific rights, including notice, time to prepare a defense, an impartial panel, etc.

10.12.2 HEARING PROCEDURE

Hearing Procedures in all disciplinary actions in the State of Alabama shall be governed by USSF Bylaw 701 Hearing Procedures and USSF Policy 701-1 Hearing Procedures

10.12.3 RIGHTS

In all hearings conducted in the State of Alabama under the USSF bylaws, the parties shall be accorded:

1. Notice of the specific charges or alleged violations in writing and possible consequences if the charges are found to be true; (See, Appendix B)
2. Reasonable time between receipt of the notice of charges and the hearing within which to prepare a defense;
3. The right to have the hearing conducted at a time and place so as to make it practicable for the person charged to attend;
4. A hearing before a disinterested and impartial body of fact-finders;
5. The right to be assisted in the presentation of one’s case at the hearing;
6. The right to call witnesses and present oral and written evidence and argument;
7. The right to confront witnesses, including the right to be provided the identity of witnesses in advance of the hearing;
8. The right to have a record made of the hearing if desired;

Alabama Soccer Referee Manual

9. A written decision, with reasons for the decision, based solely on the evidence of record, issued in a timely fashion;
10. Notice of any substantive and material action of the hearing panel in the a course of the proceedings; and
11. Quality concerning communications, and no ex parte communication is permitted between a party and any person involved in making its decision or procedural determination except to provide explanations involving procedures to be followed.

10.12.4 POLICY REGARDING MINIMUM RIGHTS IN PRESENTING ONE'S CASE

This policy provides the minimum rights that each party would have at a hearing with respect to the right to assistance in presenting one's case at a hearing, as must be allowed under Federation Bylaw 701(5) (See, 4.1.2, Section 1, (5) above). These minimum rights apply to hearings conducted by State Associations and their members or other hearing body. A copy of these minimum rights should be delivered to the parties with the notice of the hearing.

1. Each party at a hearing shall have the right to have an individual present at the hearing to assist the party in presenting the party's case. Such individual may, but shall not be required to be, an attorney.
2. If the State Association or member of the State Association ("Complainant") is represented by another individual at any hearing and the hearing panel allows that individual to speak, question the parties and/or witnesses, or grants that individual any other rights, then it shall afford all other parties, or the individual representing the party, including an attorney, the same rights during the course of the hearing as is allowed to the individual representing the Complainant.
3. If an attorney is present at a hearing to assist a party in presenting the party's case, it shall be made clear at the commencement of any such hearing that the hearing shall proceed in accordance with the State Association's hearing rules and procedures. All Federal, State or local Rules of Evidence or Civil Procedure shall not be applicable.
4. A State Association may provide, as part of its hearing rules and procedures, that an individual assisting a party may be allowed to speak on behalf of the party, make requests or ask questions at the hearing.
5. Regardless of whether the State Association allows the individual assisting the party the rights to speak, make requests or ask questions, as noted in Paragraph D above, an individual assisting the party in presenting the party's case shall have the right to be physically present in the hearing room, and so as not to interfere with the hearing procedure, it is also recommended that the individual be seated close to the party (either behind or next to the party) so that the party may seek assistance when desired during the course of the hearing.
6. During the course of the hearing, the party may confer briefly with the individual who is assisting before making a statement or request or prior to responding to a question. The panel conducting the hearing may limit the frequency and duration of the conferences so as not to unduly interfere with the proceeding.
7. If there is confusion or concern, the party may request a recess to confer with the individual assisting the party. Such a request should be granted unless the number of requests by a party

Alabama Soccer Referee Manual

becomes unreasonable or the length of a requested recess is deemed by the hearing panel to be unreasonable.

8. An individual assisting a party may prepare written materials for the party and collect documents for the party. However, the party must submit or present the materials and documents as materials and documents of the party, and not of the individual assisting. The party has complete responsibility for those materials and documents and is subject to questioning about them.
9. Nothing contained in this policy shall prevent a State Association from allowing greater rights to assistance than those set forth in Paragraphs A-H above. For example, a State Association may, but shall not be obligated to, allow more than one individual to assist a party at any given time.
10. The rights, either mandatory or permissible under this policy, shall be consistently applied, and the State Association should not arbitrarily allow or disallow the rights set forth above to those individuals assisting a party in the presentation or defense of the party's case.

The AP may decide to allow oral arguments either in person or by telephone, with all parties having the opportunity to participate, before its consideration and determination. If allowed, the AP may set time limits for the oral argument and may hold the oral argument on a day prior to the date the AP will consider and determine the appeal. If the AP decides that oral argument is not necessary, then the AP shall decide the matter based upon the record and the parties' written arguments.

10.14.4 SECTION 4

The appellant shall bear the burden of showing that the decision being appealed from is clearly erroneous.

10.14.5 SECTION 5

In such cases, the AP may allow that such new evidence be presented to it provided all parties to the appeal have been given notice and are given an opportunity to respond to the materially changed circumstances or previously unavailable or undiscovered, unavailable facts.

10.14.6 SECTION 6

If an appellant fails to submit arguments by the deadline for submitting appellant's arguments, and no continuance has been granted by the AP, the appeal shall be considered abandoned. If oral argument is allowed and the appellant fails to participate in oral argument without excuse, the appeal shall be considered abandoned.

Good cause shown may only be made upon a unanimous vote of the AP and a written decision which specifically states that there is a strong likelihood of success upon the appeal and that circumstances are present which clearly show that the appellant will suffer irreparable harm unless the decision from which the appeal is taken is

Montgomery, AL 36116

Dear Mr. Smith,

On Sunday, October 15, 2006, the Alabama Soccer Association (“ASA”) held a hearing to consider charges that you violated Code of Ethics Rules (1), (2), (5), & (12) and committed referee abuse under USSF Policy 531-9 (Misconduct Toward Game Officials).

The hearing was convened at 10:00 a.m. The hearing panel heard testimony from Robert Official, the referee for a Boys U-13 match that took place on December 19, 2003. The hearing panel also heard testimony from Bill Sideline, the assistant referee for the match.

At the hearing, you appeared and testified on your own behalf. You also presented testimony from Laura Parent, a parent from your team who was present at the match in question and Kyle Assistant, who served as your assistant coach on the day of the match.

The hearing lasted approximately 45 minutes. After considering all the evidence presented, the hearing panel makes the following findings:

1. You, Joe Smith, served as coach for the Gold Coast Rampage during a Boys U-13 match that took place on December 19, 2003 (“the Match”).
2. Robert Official served as the center referee for the Match. Bill Sideline served as the assistant referee for the Match.
3. During the Match, you repeatedly yelled at Mr. Official that he was making the wrong call, that he didn’t know what he was doing, and that he had lost control of the match. Several times you

yelled obscenities. Mr. Official cautioned you during the second half that you needed to stop yelling and warned you to refrain from using obscenities.

4. At the conclusion of the Match, while Mr. Official was still on the field, you walked onto the field and approached Mr. Official. You yelled at him that he was a “terrible official” and when you were approximately 5 feet away from him you told him that you were going to “kick his butt.” Your assistant coach, Mr. Assistant, placed his hand on your shoulder and pulled you away from the referee.

Based on these findings, it is the conclusion of the hearing panel that:

1. You have violated Rule 5.1 (Referee Abuse) because you improperly addressed the referee “in a threatening manner.”
2. You have committed “referee abuse” under USSF Policy 53 1-9 because you made a “verbal statement... not resulting in bodily contact which implies or threatens physical harm to a referee.”
3. You must serve a period of suspension for each rule violation of six months. All suspensions will be served concurrently (together). Your suspension will run from today, February 3, 2004 through and including August 3, 2004.

The term “suspension” means a complete cessation of any and all SSA and USSF affiliated activities. While under suspension, a member may not play or practice for any team, may not coach or in any way assist in the instruction, training, or management of a team, and may not hold any official position of responsibility within any affiliated organization. If you have any questions as to whether you are permitted to engage in certain activities, you should contact SSA first. Please note that failure to abide by the terms of your suspension may subject you to additional discipline, including an extension of your suspension.

You have the right to appeal this decision to the United States Soccer Federation Appeals Committee within ten (10) days of receipt of this letter. A copy of USSF Bylaw 705 and a Notice of Appeal form are enclosed with this letter. If you wish to appeal, you should complete the Notice of Appeal and send it with the \$300 appeal fee (in the form of a cashier’s check or money order payable to US SF) to: The United States Soccer Federation National Appeals Committee, c/o Daniel T. Flynn, Secretary General, 1801-1811 South Prairie Avenue, Chicago, IL 60616. Please note that if you submit an appeal, you must send a copy of your Notice of Appeal form to SSA. Please also note that an appeal does not “stay” the decision of SSA.

Sincerely,
John Referee,
ASA Officials Disciplinary Committee Chairperson
